Adlerian Approaches to Psychotherapy

A Two-Weekend, Four Day Short Course Facilitated by **Dr. Bob Armstrong**

The practical application of Adlerian approaches to psychotherapy are presented with specific emphasis on interventions for individuals and families. Particular emphasis is placed on the respective roles of the therapist/client relationship throughout the process of the four stages of therapy. Current knowledge drawn from interpersonal neurobiology will be integrated with depth Adlerian psychotherapy and applied in individual relationship and family therapy.

Saturdays & Sundays October 15th & 16th, and 29th & 30th, 2011

Venue: The Adler Centre Suite 230 - 1818 W. Broadway, Vancouver, BC

Cost: \$550.00

CEUs available for this short course through the Canadian Counselling and Psychotherapy Association (CCPA)
